Re: Dr. Rubina Khan

To College of Lake County:

My name is Ashfaq Mohiuddin and I am the Executive Director of the UMMA Center. The purpose of the UMMA Center is to provide educational support and community resources to empower the lives of underprivileged individuals in Lake County. The organization's vision is to bridge the large socio-economic gap in Lake County, help the underprivileged become self-sufficient and create a strong network for individuals of all racial, ethnic, religious, and cultural backgrounds in Lake County.

I am writing to you to communicate the great contributions Dr. Rubina Khan has brought to the UMMA center and the Waukegan community. Dr. Rubina Khan has helped coordinate key fundraising activities that allowed our organization to sustain operations and provide the necessary resources to our community. Dr. Rubina Khan has been volunteering tirelessly for the UMMA center since 2009. Her most valuable contributions have been around leading the coordination for our silent auctions. The profits of the silent auctions were several thousands of dollars and the funds were used to directly pay for our GED and Computer Training programs.

I have been personally impressed with Dr. Rubina Khan's leadership skills and her dedication to helping the community. I would highly recommend her for a position at the College of Lake County.

With Regards

Ashfaq Mohiuddin
Executive Director-UMMA Center
